Row, Row, Row your boat
Gently down the stream
Merrily merrily merrily merrily
Life is but a dream

Walk, walk, walk yourself
Gently down the street
Grab your shoes or grab your boots
And put them on your feet

Run, run, down the path
How quickly can you go?
Off the path and on the grass
And even through the snow

Ride, ride, ride your bike
Gently through the park
Make sure you put your helmet on
And get home before its dark

Ride, ride, ride the bus
Ride the bus to school
And listen to what the driver says
Cause safety is the rule

Drive, drive, drive the car
Gently down the street
And buckle up your seatbelt
so you're safely in your seat

Choo, choo, goes the train
Gently down the tracks
Hear the wheels go down the rails
Clickety clickety clacks

Fly, fly, fly the plane
Gently through the air
If you want to go above the clouds
A plane can take you there.
